

The undersigned, as author of the article entitled:

submitted for publication to the *Revista d'Arqueologia de Ponent*,

STATES that

- the manuscript is unpublished and original, and has not been and will not be presented to any other national or foreign journal.
- None of its text and illustrations have been plagiarised, invented or manipulated. Likewise, the original data are correctly distinguished from those already published.
- All original sources serving as a base for the information are cited, as well as all sources from previously published works.
- The sources of all published and unpublished tables and illustrations (figures, photographs, etc.) are cited. Reproduction permission is provided when required.
- Consent and proper identification was obtained from those who provided unpublished verbal or written data.
- All signing this form participated in the planning, design, execution and interpretation of the results of the manuscript, and approve its final version for publication.

Place, date and signature,
